- **AA2020:** Did you enjoy the conference? Please write and let us know. We thank God, and we thank you, for an extremely successful conference. We had an average attendance of 8,226 people per session over the 5 sessions. That was way more than we had hoped for
- Unfortunately only a few people contributed financially towards the conference and we are unable at this point to pay for all our conference costs. It was free for those who could not afford it. I hope that those who can contribute will consider doing so please so that our expenses can be paid. We also hope that parishes will consider giving a gift please. Our Bank details:
